

Ramadan is a special month for the Muslim community, which brings friends and family together with feasts at each sunset and special prayers throughout the month. In collaboration with Roswell Park, Buffalo United for Peace (BUP), not for profit organization, organized Ramadan Eid festival in June 2019 to celebrate the Eid with the diverse ethnic and religious communities at Kaminski Park at Roswell Park center campus. The Festival received amazing number attendees, over 700 people, from all walks of life including communities from Yemenis, Egyptian, Saudi Arabia, Turkish, Bangladesh, American as well as hospital staff. The Festival was a great accomplishment and was extremely well received considering it was organized for the first time and with limited amount of time and resources.

In 2020, we continue our enthusiasm to conducting this remarkable outreach activity at Roswell Park Cancer Center again. We estimate an attendance of 1500 people this year and planning to provide various delicious food items, refreshments, and free activities for guests to truly celebrate the Eid Festival. We rely on the support of local communities and institutions for a successful Festival. We would like to ask your sponsorship for this amazing upcoming festival. All collected profit from the Festival will be donated to refugee supporting organizations.
